**Case No. AO-2008-0192**

## **NOTICE OF ORDER OF PRESENTATIONS, PROCEDURAL SCHEDULE FOR ROUNDTABLE DISCUSSION ON JANUARY 7, 2008**

Issue Date: January 4, 2008

On December 13, 2007, the Chairman of the Commission opened a workshop docket and set a Roundtable Discussion in this matter. Subsequent notices were issued to assist potential participants by providing relevant review materials and guidance with relation to the procedural schedule for the Roundtable Discussion and the workshop docket as a whole.

A target date was set for January 3, 2008, for interested participants to provide the Chairman with information about the presentations they might wish to present at the Roundtable. This target date was not intended to be a final and prohibitive deadline, but rather was an attempt to assess what arrangements would be required to facilitate the Roundtable in terms of time required for participant presentations and help coordinate responses between the participants.

To date, the Chairman has received filings and requests to present from six interested persons, groups or entities. Based upon the information received to date, the order of presentations for the Roundtable Discussion is as follows:

- (1) Scott Hempling, Executive Director of the National Regulatory Research Institute.

- (2) Lewis Mills, Public Counsel, The Office of the Public Counsel.
- (3) Paul A. Boudreau, Legal Counsel for the Missouri Energy Development Association  
(This presentation is unconfirmed at this time.)
- (4) Julie Noonan, Missouri Citizen and Member of StopAquila.org.
- (5) Kevin Thompson, General Counsel for the Missouri Public Service Commission.
- (6) Jeff Davis, Chairman of the Missouri Public Service Commission.
- (7) Any and all other participants that wish to offer comments, suggestions or presentations in the order in which they sign the attendance sheet at the Roundtable.

This schedule is subject to change depending upon the actual attendance at the Roundtable and upon any reasonable requests from the participants.

The Roundtable will conclude after all participants that wish to comment have had the opportunity to present their remarks to the Chairman. There are no plans to continue this Roundtable beyond January 7, 2008; however, the Chairman stresses that depending on the responses received and presentations made at the Roundtable Discussion, the Chairman may schedule additional Roundtables or request additional responses and suggestions. The Chairman is committed to full review of the Commission's Standard of Conduct Rules and Conflicts of Interest Statute.
